

Starting Pose	Script	Trial 1	Trial 2	Trial 3	Notes
Stand	Raise both arms higher	1	1	1	
	Bring both arms in	0	0	0	
	Rotate both arms counterclockwise about the shoulder a little	0	0	0	
	Raise the "right" arm higher	1	1	1	
	Raise the "left" arm higher	1	1	1	
Muscles	Raise both arms higher	0	0	0	higher translated to "backwards" rotation about on shoulder
	Bring both arms in	1	1	1	
	Rotate both arms counterclockwise about the shoulder a little	0	0	0	wrong servo or wrong direction; it got the "little" part though. Note: counterclockwise should be user perspective, not robot
	Raise the "right" arm higher	0	0	0	rotates shoulder roll backwards (good only robot has arms down); robot needs to learn how to reach up when its arms are palm up or out
	Raise the "left" arm higher	0	0	0	
Superhero	Raise both arms higher	1	1	1	
	Bring both arms in	0	1	1	moves outward from the body
	Rotate both arms counterclockwise about the shoulder a little	0	0	0	
	Raise the "right" arm higher	1	1	1	
	Raise the "left" arm higher	1	1	1
